countyschools.org

## **Office Location**

Room 222

## **Office Hours**

Best reached:  
7:45am-9:30 am

## **Course Overview**

In Biology, you will learn that living things are found almost everywhere on Earth, in the deepest oceans, in hot springs and even in Antarctic ice. Your biological experience will expose how genetics and evolutionary diversify influence ecological systems.

## **Homework Policy**

Assigned homework is expected to be completed by the next day. Late work can earn a maximum grade of 70%.

## **Required Text**

Biology Cycles of Life, AGS Publishing

Course Materials

- 1 inch binder, College Rule Paper, Graphing Paper, Pencils, 3 part dividers

## **Course Contents**

Unit 1: Biological History

Unit 2: Cells

Unit 3: Genetics

Unit 4: Evolution

Unit 5: Ecology

Unit 6: Classification and Diversity

Unit 7: Plants

Unit 8: Animals

Unit 9: Human Biology

## **Course Grading**

- 40% Formative 60% Summative Final exam is 20% of average
